LEGION MEMORIAL BUILDING CONTRACT AWARDED

NILES-HAYWARD ROAD PLANS TOLD

To Rebuild Entire Pavement;
Underpass To Be Widened;
New Foot Bridge Programed

Contract To Be Let July 17

THROUGH the courtesy of the highway commissioner, John H. Skeggs, definite information regarding the new highway has been given to The Township Register. The Division of Highways is soon to expend thousands of dollars to construct a wider arterial from Hayward through Niles. It is a total width of pavement of 30 feet. This type prevails from the Hayward city limit to a point opposite the California Nursery where a slight line change is contemplated to obtain the higher type of alignment in approach of the underpass of the Southern Pacific railroad. Through this change and other minor changes toward Hayward the work will consist of a Portland cement concrete pavement 30 feet wide. From the underpass southward to the Alameda creek bridge the surfacing will be of asphalt concrete 30 feet wide.

With one of the state's main arterials passing through Niles, the traffic will be doubled.

The main highway will make a round curve into the Belvoir orchard which will make a straight entrance into the subway, as well as eliminate the dangerous intersection with Vallejo street.

The major type of construction will be placing a 10-foot concrete shoulder along the easterly side of the existing pavement and placing over the old pavement an asphalt concrete surface, making

the existing sidewalk in the underpass at Niles will be removed and a new pedestrian subway will be built under the Southern Pacific tracks just north of the highway underpass. This improvement will make the

NILES AD CLUB TO MEET ON JULY 19

Vice-president Helm, of the Niles Advertising Club, has called a meeting for next Friday evening, July 19, in the Egyptian Ballroom. Election of officers and reorganization will take place at this time. All members are urged to attend this important meeting.

NILES SCHOOL TO BUILD TWO NEW CLASS ROOMS

Old Buildings Undergoing Extensive Interior Decorating

The Niles Grammar School is undergoing extensive repairs in the interior now. All of the rooms are being painted, plastered and renovated. "Everything will be bright and shiny when the pupils come back to school in August," said Principal Bristow.

Two rooms are to be built on the Primary department soon. As this will be a rush job, construction will begin in a week or two. The additional rooms are to be built so as to make an inner court when, as planned, two more rooms are built sometime in the future.

OAKLAND CONCERN'S BID OF \$47,800.00 ACCEPTED; WORK TO START SOON

Shinn's Site Donation Praised

THE CONTRACT for the American Legion Memorial building has been let to the Brennaught Contractors of Oakland. Their bid was \$47,800, which is considerably over the amount estimated by the supervisors for this building. There were nine other contractors who bid higher still. It will probably cost \$50,000 before it is finished.

Mr. and Mrs. J. C. Shinn are the donors of the 100 by 150-foot lot situated in the orchard across from the grammar school on Second street. This wonderful location will help to add to the beauty of the building which will be carried out in Spanish design, according to the chairman of the building committee, E. Dixon Bristow, who wishes to express his thanks in behalf of the American Legion, and the building committee for this splendid gift of Mr. and Mrs. Shinn.

The building is to be constructed of Dickey tile, and then stuccoed. Mission tiles will be used for the roof. A Mediterranean garden will be planted outside as well as in the Spanish patio. A Spanish wall will protect this and add a distinctive note of Old Spain to the place. A tile walk will be built from the entrance to the gate. Nothing is being left undone to carry out this effect.

The interior of the building will consist of an auditorium, club room, lodge room, women's room and kitchen. Hardwood floors are to be laid in the larger rooms. The interior decorating will also be carried out in Spanish effect.

Entertainments, socials, dances, and meetings of the different lodges can be held in the building. The Washington Post of the American Legion will pay half of the maintenance and the board of supervisors of Alameda county, the other half. The legion will rent the place on dates when they are not using it. They desire to make it a township place, and not for Niles alone.

The men on the building committee who have worked and planned to make this memorial a reality are: E. Dixon Bristow, chairman; Roland Bendel, R. A. Griffin, John Dutra and Frank Veit.

The date of the ground breaking exercises will soon be announced. Construction will start in several weeks.

Editorial Comment

By NORMAN H. PARKS, Publisher Register

SECRETARY EXPECTS RETRACTION

SAN LEANDRO CHAMBER OF COMMERCE
Library Building, 300 Estudillo Ave.
San Leandro, Calif.

June 28, 1929.

Mr. Norman H. Parks, Pub.
Township Register,
Niles, California.
Dear Mr. Parks:

The issue of your paper of June 27th was received at the Chamber of Commerce office today and we naturally read your editorial comment regarding the Twentieth Annual Cherry Carnival at San Leandro and its advertising matter.

Inasmuch as the Cherry Festival was handled this year exclusively by the American Legion, and also inasmuch as the Chamber of Commerce had nothing to do directly with the printing of advertising matter for the Festival, we feel that your reference to the Chamber of Commerce was mistakenly made.

On the other hand, we do not believe that the position of the American Legion, in the matter to which your editorial calls attention, is without adequate explanation. We are informed by the publisher of the Reporter that the printing of advertising matter over which the American Legion had control was done in San Leandro by San Leandro establishments.

A portion of the printed matter, which unfortunately seems to have come within your attention, was done by the concessionaires of the "joy-zone," run in connection with the Carnival spirit of the Festival. Since this latter portion of the advertising matter was without cost to the American Legion, it is readily imagined that the say-so on where it was printed was also entirely outside of their province.

The Chamber of Commerce feels that, in view of the fact that no complaint from local printers, upon inquiry, has been forthcoming, the editorial position of the Register in this one instance is not well taken, and would appreciate any correction that you might care to be kind enough to make.

Assuring you of only the friendliest of feelings towards The Register, and towards the community and township which it serves, and also, of no desire to become controversial in the matter, we are

Yours very truly,
RALPH W. CHROUCH, Manager,
San Leandro Chamber of Commerce.

AND HERE IT IS

The Township Register is more than pleased to publish the foregoing letter—pleased also to know that the San Leandro Chamber of Commerce is not singularly blamable for the poor taste shown in having Cherry Festival printing done by a San Francisco concern. Yet, we may say, while it is a joy to learn that this civic body was not especially vulnerable in this respect, we cannot help but remark that it is the providence—indeed it is the duty of a live chamber of commerce—to promote local industry. And certainly it is not promoting local industry to allow the imputation against the city of San Leandro that it has no printing plants, or if any, the inference that those engaged in this line of work are incompetent to turn out work for a strictly municipal enterprise.

*** **

All of us seek excuses when found in an embarrassing position, but generally it is better to admit the mistake, and promise restitution. By coming "clean" we do not add subterfuge to mistake in the eyes of the public.

Strange that no one thought to specify that, as the Cherry Festival was a San Leandro civic undertaking, that local people should be patronized when possible.

*** **

The explanation offered in extenuation of the American Legion of San Leandro by our genial and gentlemanly correspondent, really is not convincing. That the committee granted valuable concessions to a carnival organization without stipulating in the contract protection for those doing business in San Leandro, showed lack of training in such matters or a callous indifference to the welfare of its friends. What concern of the committee—indeed, what did it care—where these window cards and other printed matter were purchased. The main thing was to have nothing to do with paying the bill.

And yet, it did pay for this printing, indirectly. If the carnival outfit consented to advertise the festival through the avenue of commercial printing, then these people must have received a liberal deal for the right to "snatch nickels" from the visitors, and make "whoopie" in the streets of San Leandro. The printing does not contain a word that would convey the impression that the cards were ordered by the carnival crowd. To all intents it was prepared by the Cherry Festival committee.

The moving spirits of the celebration held the

TRAVELING WITH "COB"

ARTICLE II—1929

COB is very happy this year, as he had a new Ford to go about the township to get new subscribers for The Township Register, as well as a partner to assist him in his task of going from house to house. Nearly 100 names were put on the paper's mailing list in the last three weeks of the campaign. The premiums—mixing bowls, bridge sets, tea sets, bread knives, shaving sets—proved to be very popular. These were given with the paper which is more than worth the price alone.

Newark wins the "prize" for having the most new subscribers, with 26 to their record to date. The names of those who took the paper are:

F. R. Silva, Tony Quadros, Lesda Sayles*, Mrs. Mary Madruga, Jeanette Ayers, W. Q. Wright, F. Perry, Mrs. Chas. Cockfair, Cogswell, F. G. Phippen*, Mrs. Ray Scott, Paul Gygas*, J. M. Nordvik, Mrs. H. Martin, John C. Pierce, A. S. Dutra, H. H. Patterson, Barney Muller, Mary Duarte, Mary J. Smith, H. W. Fuller*, Martha Buchanan, Mrs. M. E. Costa, A. R. Johnson, and S. C. Biddlestone.

Irvington comes next on the list, with Vernon Ichisaka, Pop's Pool Hall, A. S. Leal, S. S. Betten-

court, Mrs. James Humphrey, Ben Mozetti, W. A. Sloan, F. C. Rose, Mrs. M. L. Costa, and W. Wayne, listed as new subscribers.

COB has not finished with Niles yet, but the following have already signed for the paper for a year: Mrs. R. E. Silva, Barney Bragg, Dr. E. C. Grau, R. E. Farmer, Victor Cattaneo, J. Silva, John Cahill, Walter Anderson, Wm. Montalbo*, N. H. Justies Antone Costa.

Centerville gave him Ruth E. Townsend*, E. Rochat, Herman Mau, Mrs. J. P. Morris, and Floyd Parks, to add to his list.

Mission San Jose has nine new subscribers. They are: Mrs. M. Rogers, Paul Aust, Annie Rogers, Laura Sanac, Angie Dutra, Adelyn Telles, R. F. Pereira, Frank Azeveda and J. S. Dutra.

In Warm Springs L. D. Halwick and Fred Bach subscribed.

A. A. Amaral and J. F. Silva, of Decoto, and J. H. Langdon, of Alvarado, completes this fine list.

*Denotes two-year subscriptions.

At this time COB wishes to thank all of these residents of Washington Township for taking The Township Register. He hopes they will enjoy each issue better than the one before.

LOCAL LEGION POST ELECTS CONVENTION DELEGATES

Washington Township Post No. 195, American Legion, held its last meeting for this summer Tuesday night, and will adjourn until September 10.

Delegates to the San Diego convention, to be held August 19 to 21, were elected.

The four delegates chosen were: J. E. Dutra, commander of the post; Frank X. Veit, Dr. H. E. Morrison and Dale Carrithers. Alternates are: Al P. Peacock, A. E. Francis, E. D. Bristow and D. F. Gatchell.

Blowout Results In Contusion of Foot

Marvin McNabb, while riding through Niles canyon Monday, fell off his motorcycle when the front tire blew out. He was rushed to Dr. Grau's Emergency Hospital where he was treated for a contusion of his right foot. He will be laid up for a week or more.

Apricots Relayed By Oliver's Trucks

Joe Oliver's trucking crews are doing some distance hauling this week. They are transporting the apricots from Hanford to San Jose in two relays. The first driver goes from Hanford to Merced, where he is relieved by another driver who brings the fruit to the cannery in San Jose. The same relay is used on the return trip.

After the auction sale at the Chute ranch at Mission San Jose, Mrs. C. H. Chute will move to Sacramento where she will make her home with her daughter, Mrs. H. H. Gill.

NILES CANNERY OPENS WITH THREE-WEEK RUN OF APRICOTS

375 Men and Women Are Employed On First Day

Blue and white aprons were once again seen on the streets of Niles Wednesday. Nearly 375 started to work at the Schuckl Canning Company on Wednesday morning. Before 8 o'clock operations began on apricots.

There will be a three-week run of cots and then a two-week lay-off. After that they will can fruit salad for a month or more.

One thousand three hundred tons of apricots from this district have been contracted. Seventy-five dollars are paid for the 12's, and \$50 and \$37.50 for the smaller cots. No outside fruit was bought this year, as local growers are producing all that Schuckl's will can. Townsend expects to ship from here 70,000 cases of apricots. They are shipping the cases as fast as they are canned and labeled.

FORD TRUCK IS STOLEN ON MAIN STREET OF NILES

A Ford truck belonging to Ah Leon, of the Shinn ranch, was stolen from in front of Murphy's store, while the driver was transacting some business in the bank.

A lady, who was sitting in the car next to it, saw a man drive the car away toward San Jose, but she didn't notice his appearance and was unable to describe the thief.

The Register for better printing.

The cannery employees will be working late hours next week as the peak of the season will be reached at that time.

The only improvement installed in the plant this year was a can counter in the canning room. Previously they were counted in the trays, but now they are automatically counted as they come out of the chute in front of the sinks.

Max Schuckl and F. M. Drew, of Sunnyvale, were visitors on the opening day. They made a thorough inspection of the plant. John Harvey, of Berkeley, is the new assistant office manager to Al Johnson.

Three men from rival universities are working harmoniously together at the cannery here. George Ebey, of Stanford University, is the assistant foreman in the warehouse; Clarence Taylor, of Santa Cruz, is a University of Washington student, and John Harvey attends the University of California.

Nursery Man Dies In S. F. Hospital

Tom Kilfoy, 53, an employee at the California Nursery, died this week of heart trouble in a San Francisco hospital. He has been ill for several months. Interment was made in Santa Cruz. The deceased leaves only his widow, who lives in one of the nursery houses.

E. E. Dias has constructed a new tank on the J. C. Shinn place.

DAILY VACATION CHURCH SCHOOL TO OPEN JULY 16

Through an error of the editor of this section, it was stated that the Newark Baseball Club team was to play Santa Cruz. The editor wishes to correct this error. Instead, they played Rose Grocery from Oakland last Sunday. They were defeated 8 to 4 in spite of J. E. Paschote's errorless baseball technique. He featured at this game by getting four hits in four times at bat.

Mrs. Kroig, mother of Mattie E. Bole, passed away. Services were held Wednesday at 1 o'clock in San Jose.

Mrs. Mary Flaherty is preparing to take a two week's vacation from her duties as librarian.

Mrs. A. S. Caldeira has returned from a two weeks' vacation which was spent in Monterey with friends.

Mrs. Lenora Nunes left Sunday for San Luis Obispo where she will spend a week as a delegate of the S. P. R. S. I.

Mrs. Ben Lasky and family have gone to Stockton to live with her son, Bruno Lasky.

Miss Mayme Caldeira has returned from Oakland where she spent two weeks visiting Mrs. Knobles.

Miss Leonora Costa, of Palo Alto, is spending the week-end with Mrs. William Caldeira.

Mrs. M. S. DeQuadros is visiting relatives at Morgan Hill this week.

Mr. and Mrs. Raymond Costa, of Monterey, are spending two weeks with Mr. and Mrs. Laurie Costa.

The annual Vacation Church school at the Presbyterian church will open on July 16, and continue until July 26. The doors will be opened next Tuesday morning to the boys and girls of all faiths and denominations. All of the children of Irvington, Centerville and Newark are invited. If children from these other two towns have no way of reaching the school, transportation will be arranged for them. The school will run every morning from 9 to 12 a. m. for ten days.

Mr. and Mrs. L. D. Fuller, missionaries of Siam, will be in charge of the school this year. Doctor and Mrs. Mathes will also teach.

A worship service, songs, memory work, Bible, missionary and habit stories will constitute part of the program. Handiwork, sewing and woodwork will be taught.

Eph. Musick, principal of the Newark Grammar school, is spending his summer vacation in Del Norte county.

Miss Hazel Hempleman will spend the weekend at Yosemite.

Miss Regina Sweeney has been visiting her parents, Mr. and Mrs. Henry Sweeney, for two weeks.

The Newark baseball team will play the Alvarado Leslie Salt Company team at Newark, July 14.

We are anxiously awaiting the return of our popular and efficient editor, Miss Julia Ruschin, who is spending her vacation with relatives in San Francisco.

Dr. and Mrs. Mathes Move Into Manse

Dr. and Mrs. Ebenezer Mathes, the new pastor and his wife, recently of New Mexico, have moved into the Presbyterian manse this week. For the last month they have been living at San Anselmo with their daughter and her husband, Mr. and Mrs. Fuller.

Doctor Mathes will preach two Sunday mornings of each month in the local church and the other two in the Irvington Community church. He will preach here every Sunday evening. Reverend Moore, of Palo Alto, will fill the pulpit here and at Irvington on each of the other two Sunday mornings. The regular prayer meetings, and missionary society will continue as before.

The Newark Fire Department was awakened quite early Tuesday morning to respond to a fire call at the Pacific Gas & Electric Company pipe yard at Newark, which almost destroyed the pipe tarring equipment.

Mr. and Mrs. Sullivan and Mrs. Annie Frietas are spending a week at Pescadero.

Auction sale at C. H. Chute place. See display ad on page two.—jyllidht

Miss Eva Costa, who attends Mills College, is spending her vacation by attending summer session at Stanford University.

Mr. and Mrs. M. D. Silva spent Sunday at Santa Cruz.

Mrs. Emery Beardon and son, Neal, are visiting relatives in Georgia for a month.

J. E. Beardon is spending his summer vacation at a summer resort in Mendocino county.

The Presbyterian Week Day Bible school had its last session for the term last week. Miss Bess Loury, of Irvington, was the teacher. She reports that the results from the school have been splendid. Her pupils will again have the opportunity of attending the Vacation Church school this summer.

Talkie Movies Is Boon To Actors

"Night Club" Is Featured By Beautiful Girls From Musical Comedy

What is, perhaps, the greatest number of Broadway stage stars ever assembled in one single cast, appears in "Night Club," a talking picture made by Paramount. The cast includes stellar lights of the legitimate, musical comedy, and night club field.

In looking over the cast one finds such well known Broadway characters as Pat Rooney, Fannie Brice, Minnie Dupree, Anne Forest, Donald Kirke, Ann Pennington, and many others.

The story of "Night Club" follows the pattern of a chain, being a series of nearly separate links, all of which fit together to give the color, atmosphere and irony of those midnight-to-morning entertainment places which shimmer in the bright lights of Broadway.

This five-reel talking comedy is given in conjunction with "Father and Son," at the Niles theater, Sunday and Monday.

A double bill will be shown Saturday night. Bob Steele plays in "Man in the Rough," and Chester Conklin in "Taxi 13."

Richard Dix in "Nothing but the Truth" is playing tonight. This play was given by the senior class of the high school several years ago and proved to be a fine comedy. Much enjoyment will be gotten out of Dix's first talking picture.

GRAMMAR SCHOOL VACATION TO BE SHORT

With practically all organization activities suspended for the summer, all thoughts seem to be centered on vacations—"Where did you go?" "Where are you going?" and "When?"

Around the "when" of it all revolves the momentous question of when parents must have their children back for the fall school duties. Present rumor has it that school in Niles will begin August 19, though definite word has not yet come from Principal E. D. Bristow.

Trustees Will Not Purchase New Bus

At the meeting of the Washington Union High school board of trustees on July 2, it was decided that the school would not purchase another new bus this year. The five busses which they have at present are large enough to accommodate this year's enrollment.

The corridors were lined with automobile salesmen, who were given no opportunity to talk to the trustees, as the board disbanded as soon as it decided not to purchase an additional bus.

Grass Fire Put Out By Fire Department

The Niles fire department was called out Monday morning to put out a grass fire at the end of the Rose Garage alley and in the rear of the Peterson home. The fire was extinguished before any damage could be done. A high board fence around the lot was scorched and if the fire had not been put out when it was the fence would have gone up in smoke.

Mrs. Stella Caldeira, of Oakland, was given a surprise birthday party by her mother and father, Mr. and Mrs. J. S. Dutra. The party was given at their home on the Santos Road, Niles. More than one hundred were present.

The evening was devoted to dancing and playing games, and all had a fine time. Many beautiful presents and congratulations were received by Mrs. Caldeira.

Miss Adelyn Rathbun, who has been visiting here for several weeks, returned to her home in Marysville, recently.

"THE BROADWAY MELODY" OPENS AT T&D THEATER

The big parade of the gay white way comes to you with "The Broadway Melody." This mighty song drama is slated for its premiere showing in Oakland at the T & D theater, Friday.

The magic of drama, spectacle, music and dance have been blended to create one of the greatest film entertainments in this all-talking and singing picture. Played by a galaxy of stars, "The Broadway Melody" includes also in its cast many of Broadway's most famous dancers, singers and entertainers.

Bessie Love, most part of picture players, has the leading role in this story with lovely Anita Page, prominent in the supporting cast. The leading man is Charles King, a musical comedy recruit. For smart dialogue peppered with clever wisecracks, there are James Gleason and Arthur Freed.

PERSONAL NEWS

Mr. and Mrs. Leonard Bowman and Carl Bowman, of Palo Alto, visited the Barton Webb family Sunday.

Mr. and Mrs. Joseph Tebesco, of San Francisco, recently visited Dr. and Mrs. E. C. Grau.

Mrs. Palmira Lemos, secretary of the Jones and Ellsworth Co., has returned from a week's vacation at Santa Cruz.

Apricot picking in this vicinity began Monday morning. The sun is quickly ripening the crops around here. Orchardists say that the fruit is much smaller this year than that of last year.

H. B. Rathbun and Bill Farrell motored to Santa Cruz Sunday, returning the same day.

Mrs. William Eberly visited relatives in San Francisco last week.

POTTERY COMPANY WILL CONSTRUCT NEW PLANT

Dryer Unit To Replace Sewer Pipe Plant At Oakland

The California Pottery Company of Niles is undergoing extensive repairs and construction work at present, according to Mr. Brooks, the architect. Two brick contractors are now at work building four kilns, which will make a total of eight. Much brick is being salvaged from the old pre-war plant. New brick is also being shipped here from the Merced plant. These kilns will be used to bake sewer pipes.

According to Mr. Costello, president of the California Pottery Company, a large plant will be constructed in the canyon on the company's property there, in the near future. It will be used as a drier room. Workmen are repairing the old tunnel driers now. Last week caterpillar tractors cut away part of the hill to make room for the foundation of the new building. This week the Fordsons are busy grading and excavating the place. After the preliminary ground work is completed, work will commence on the cement foundations.

This sewer pipe unit will take the place of the Oakland plant which will discontinue making sewer pipes September 1. Mr. Brooks states that he does not think the local unit will be ready to be opened at that time, as he has not yet drawn up the plans for the new building here. When the building is opened they will make the regulation sewer pipes.

Mid-Summer Dance At Garden of Allah

Another dance is scheduled for the night of July 20, at the Garden of Allah, that popular dancing pavilion, just north of Niles on the Hayward road.

Lewis' Orchestra is putting on this affair and it promises to be one of the most generally attended events of the summer months. There will be dances to please all—the dreamy waltz and the lively, jazzy fox-trot. With good music and an incomparable floor, those who attend will be assured of a happy evening.

An ad in this paper and window cards from the job department of the Register, give additional details of this dance event.

We print your job on time.

"No motor repairs at all"

—Alameda motorist reports

Perry C. Marshall, well-known Alameda resident, has used Cycol for over fourteen months. "I consulted your dealer at Webster and Taylor Streets in Alameda, where I buy my gas and oil," says Mr. Marshall, "and was informed that Cycol Heavy would not only eliminate most of the noise in the motor, but prolong

the life and reduce repair bills as well.

"My car has had no repairs of any kind to the motor and I attribute this to the wonderful quality of your Cycol Motor Oil," he concludes.

Be sure of correct lubrication and economical operation in your

own car. Drive in at the red, green and cream station or garage and fill up with Cycol Motor Oil. No motor oil deposits less carbon than Cycol. It has amazing stability, maximum lubrication value.

Enjoy finest motor performance with Cycol, the motor oil of "Endurance Beyond Belief."

Aug. 26—High School opens.

Personal Mention.

Old inhabitants agree that we had the longest hot spell that they have ever experienced. All welcomed the blessed fog as it rolled in.

The McKamie family, late of Chicago, are visiting Mr. Braden.

Mrs. L. Morrison and son left last week for Monterey.

Rev. Chas. Leachman and Miss Sheila, of Mill Valley, were guests of the Howard Chadborns, but hastened back when they heard the news of the serious fire. However, they found it was not in their locality.

Word has been received from James Fair and party who were in a serious auto accident, that they hoped soon to be back in California. Miss Maud Fair was the most seriously injured, suffering a broken collar bone and three ribs fractured.

Frank Madruga is spending the week at Santa Cruz. His wife is attending summer school there now.

C. E. Anderson and family have gone on their vacation for two weeks in Napa. Mr. and Mrs. Bell accompanied them.

Mr. and Mrs. Christensen are away for a couple of weeks.

Mr. and Mrs. C. E. Young are in the Geo. Mathiesen home during the absence of the Mathiesons.

Mrs. A. T. Borst, of Huntington Park, will leave Wednesday for a visit in Seattle with Mr. and Mrs. Joseph Borst.

Mr. Bodutch is putting up a new garage preparatory to a new auto in the near future.

Frank Alisso, of Coalinga, superintendent of the Bunting Iron Works, was in town Tuesday.

The fire department is ready to burn the dry grass and trash, with the intent of preventing fires.

Mr. and Mrs. Geo. Mathiesen and children, together with Mrs. M. Mathiesen, left last week for the Feather river, where they will camp for a week or so.

MARIE ROSE AND
A. J. OLIVEIRA
MARRIED SUNDAYImpressive Ceremony Is
Followed By Dinner
At Bride's Home

Miss Marie Louise Rose was married to Anthony J. Oliveira at the Holy Ghost church Sunday morning. Father Barron, of Crockett, performed the ceremony. Mrs. Inez Silva, the pipe organist, played the Lohengrin Wedding March while the bridal couple marched to the altar. After the ceremony she played Mendelssohn's Wedding March. The church was packed with relatives and friends.

Miss Edith Oliveira was the maid of honor, and John S. Oliveira was the best man.

Following the ceremony, the wedding dinner was served at the bride's home. The newlyweds were showered with wedding gifts.

Miss Rose formerly was of the Centerville Bank of Italy staff, and Mr. Oliveira is employed at the San Leandro First National Bank.

The bridal couple left Monday morning for a two weeks' honeymoon in Canada. En route they will visit relatives at Tacoma, Washington.

Their many friends in Centerville, Crockett, Oakland, Alameda, and San Jose wish them the best of luck and much happiness.

The young couple will live in San Leandro, where Mr. Oliveira has just completed a new home for his bride.

Mr. and Mrs. Ted Paulson spent the week-end at Willits.

Miss Mila Norris, Mrs. Garret Norris, and Miss Jeanette Porter are vacationing at Lake Tahoe and Rio Nido, each, for a week.

M. J. Bernardo and family, and J. R. Nunes and family spent the Fourth fishing at McCloud's beach and on the San Joaquin river. They caught the limit of bass.

Arthur Templeman spent the Fourth at Santa Cruz.

Ten children of the Child Welfare Home received their monthly free hair cuts from Leo Moore, this week.

Syd Lawlor and Leonard Nunes spent the week-end at Clear Lake in Lake county.

Helen Wills Wins
Women's Singles

Helen Wills, a former Centerville girl, again claims the world championship in women's singles. Last week she defeated Helen Jacobs in two straight sets, 6-1 and 6-2, on the Wimbledon courts in England. While it is Miss Wills' third championship, it is the first time two Americans have battled in the finals.

Personal Items

Misc Ada McBride is spending her vacation visiting relatives in Santa Cruz.

Mrs. Frank Madruga is attending the summer school at Santa Cruz during its three weeks' course.

Dr. and Mrs. W. L. McWhirter and son spent the week-end at Rio Nido.

George Mathieson and family are vacationing in the Sierra Nevada mountains.

Mrs. Wm. LaCombe and Miss LaVon Moulter returned Tuesday from a two weeks' vacation at Upper Lake, in Lake county. They were relieved at the telephone office by Alice Dargatz and Laura Peixotto.

Thos. Silva, Olive Silva, and Alice Sarmento attended the Livermore rodeo on the Fourth.

K. OF C. DANCE
MARKED SUCCESS

The Knights of Columbus dance given on July 3 at the Garden of Allah was reported to be a great success. The K. G. O. orchestra supplied the music. American flags and patriotic decorations were used to beautify the room. The morn of the Fourth found the dancers still enjoying the waltz and lively jazz airs.

Large delegations from the Oakland, Berkeley, and Hayward parlor were there, as well as a large number of township people.

Mr. and Mrs. C. H. Waterbury and children spent a week's vacation at Yosemite. He says, "Our new Fords can sure fly over those hills in a hurry."

HEAD-ON COLLISION
WRECKS TWO CARS
ON HIGHWAY

A thrilling accident occurred in front of the Mickle home on the highway, Tuesday morning. A Ford sedan driven by Julius Schult, collided with a Nash roadster driven by Tom Tierney, both of Irvington. Both cars were completely wrecked. Several ladies and Schult received cuts from the flying glass. They were given first aid treatment by Dr. W. L. McWhirter.

Constable Bernardo was at the accident and reported the case. Authorities have not so far placed the blame for the accident.

COUNTY AGENT WILL
CALL FOR LOCAL
SPECIMENS

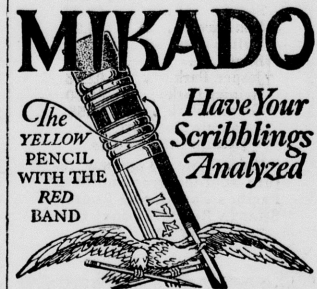

Fruit growers in Washington Township who have outstanding specimens of apricots, plums or pears are invited to communicate with the Alameda County Development Commission which is handling details of the Alameda county exhibit for the Seventy-fifth annual California State Fair that opens August 31 at Sacramento.

A representative of the county will call and gather specimens of fruit for the county exhibit on receipt of word from the growers. Local growers can get in touch with Harvey Braun, director of the Alameda County Development Commission or Supervisor Ralph V. Richmond.

President Herbert Hoover will

attend the fair this year and visit each county display as it is announced.

Alameda county is particularly anxious to display its best products of fruits.

An outstanding Bank

The Bank of Italy is an outstanding financial institution for the following reasons:

It pioneered branch banking in the United States. It gave all of its employees—from president to office boy—a share in the profits of the business. It originated the "out-in-the-open" method of banking. It made "of the people, by the people and for the people" banking tremendously successful in California. It established the world's first great "department store of finance." It proved the practicability of democratic, warm, human banking service. It created the school savings plan. It brought metropolitan banking service to many of the smallest communities of the state. It provided adequate financing for the farming and fruit interests of the state. It helped to make California one of the greatest empires of the world.

MARTINS ENJOY
FISH AND SWIM
IN HUMBOLT CO.

Mr. and Mrs. Ernest Martin spent their vacation in "The Heart of the Redwoods," Humboldt National Forest, motoring to Lane's Redwood Flat the first night, then on to Eureka, stopping at Scotia long enough to view the large lumber mills located there.

It is from this part of the state that most of our lumber comes and it is the principal industry of that region.

Returning, they stopped at Devoy's Grove where Mr. Martin enjoyed the fishing.

While he did not return with the "limit," his reason is very good—there are two fishermen for every fish that swims the streams of the north, he says. It was great sport, anyway, he insists, and besides the swimming was fine.

TOWNSHIP RE-UNION
AT BLUE LAKES
SUNDAY

There is brewing a happy reunion of Washington Township friends for next Sunday. The place to be Blue Lakes Resort in Lake county. The Milton Wilders and Mrs. Oscar Walpert are already up there. Mr. and Mrs. Lester Duffey and daughter, Patsy, will drive up the latter part of this week for two weeks' visit. And over the week-end, Mr. and Mrs. Robert Blacow, of Centerville; Mr. and Mrs. Neil Lake, of San Leandro; Mrs. Nona Faber, formerly of Niles; Warren Catterlin, Mrs. Duffey's brother, and Miss Betty Heatherington, of San Francisco, will all run up to this popular resort. Mrs. Gertrude Trask, and daughter, Robin, will also be of the party, motoring up this week for a visit.

Solons Entertain
Twenty-five Guests

Mr. and Mrs. Leon Solon and family entertained 25 friends at a week-end party last week. Those from San Francisco enjoyed the sleeping out in the open immensely. On Sunday a barbecue was featured, as well as a refreshing swim in Niles canyon.

The guests were: A. Berpolozzi, Rudolf Berpolozzi and family, V. Sabietzki and family, R. G. Vogt, Mr. and Mrs. E. Newswander, of San Francisco; Mr. and Mrs. Philip Blum, of San Jose; Mr. and Mrs. A. M. Alves and family, Mr. and Mrs. A. Berpolozzi, Sr., and Chas. Raulea, of Niles.

Last Year's Rain
Gauge Was 17.90

Reports of the rainfall of Washington Township given by Harvey Braun show that last year was much dryer than the previous year. The rain gauge for the fiscal year ending June 30 was 17.90 inches, and for the previous year it was 20.13 inches.

HIGH PRODUCING
HERDS FOUND IN
TOWNSHIP

Both units of the Alameda-Contra Costa County Farm Bureau Cow Testing Association made substantial gains during June, in which 3,522 cows were tested in the two units, reports J. C. Doke, cow tester.

The total milk production was 2,731,596 pounds of milk and 98,937 pounds of butterfat during the month. The average butterfat production per cow was 28.1 pounds.

The herd belonging to the Innes-Cloverdale Dairy made the high record for the month with a production of 74.4 pounds of butterfat. R. E. Albertson, of Mowry's Landing, has a Holstein herd producing 63.8 pounds of butterfat. E. A. Heath had the highest average herd production.

Mr. Doke is proceeding with his plans for a monthly and annual competition among the herds of this unit, as regards to production.

I. O. O. F. INSTALLS
NEW OFFICERS

Tuesday evening the local I. O. O. F. lodge held its semi-annual installation of new officers. The new and retiring officers gave short speeches.

The retiring Noble Grand, H. C. Swanson, claims the distinction of being the youngest officer of that high rank on the Pacific coast. When he went into the president's chair he was 21 years old. Swanson has had a very successful term of office.

The new officers installed were: Past Noble Grand, H. C. Swanson.

Noble Grand, C. E. Plumb.
Vice Grand, T. Mezza.
Secretary, P. A. Ellis.
Treasurer, H. L. Scott.

FERN GARCIA IS
GIVEN SURPRISE
BIRTHDAY PARTY

Sunday, Mr. and Mrs. Garcia surprised their daughter, Fern Garcia, with a party on her eighteenth birthday. Among those present were: Mr. and Mrs. A. B. Moora, Leroy Moora, Miss Mary Lucas, Miss Marie Escobar, Marino Jacopi, Frank Duarte, Mr. and Mrs. M. E. Duarte and Robert Duarte.

After the party they all attended a theater in San Jose, where "The Broadway Melody" was playing.

Miss Garcia received many beautiful presents and congratulations.

Car Turns Over
And Injures Man

Peter Landini, of Milpitas, received a broken collar bone and other injuries when his Ford truck turned over on the highway out of Decoto. He had passed a Peerless stage in great haste, and in doing so he ran off the highway. As he tried to get back on the pavement the solid rubber tires caught in a rut on the side of the pavement and caused the truck to upset, injuring the driver, who was taken to the hospital in Hayward.

Failure to Appear

Christian Endeavor Elects New Officers

At the last meeting of the Community Christian Endeavor officers were elected for the remainder of the year. They are to be installed on July 28. Those elected are: President, Sophie Swanson. Vice-president, Fritz Swanson. Secretary, Elizabeth Bowers. Treasurer, Ruby Bowers. The second annual anniversary banquet is to be given on July 24. Reports of the year's work are to be given at that time.

The Decoto Fire Department has been called out twice already in the new fiscal year to extinguish grass fires. Last week it responded to a large hay-stub fire at the Masonic Home. Monday the department put out a grass fire in a vacant lot near the P. C. Hansen Lumber Company.

Miss Lena Dutra is working at Olson's store at present.

Rev. John Moore, of Palo Alto, again spoke at the Community church Sunday evening. He will fill the pulpit every Sunday at 8 p. m. hereafter.

Mr. and Mrs. M. Wilder and Mrs. O. Walpert left for Blue Lakes, Saturday, on their two weeks vacation.

Mr. and Mrs. Jack Duarte, Mr. and Mrs. William Mendonca, Mr. and Mrs. John Mello and family, all of Decoto; and Mr. and Mrs. F. Mello, of Niles, returned home Sunday evening from a four-day vacation in Yosemite Valley. Miss Edith Mello came across a five-year-old rattlesnake, and put in a call for rangers who killed the reptile, and presented her with the five rattles and the button.

Jim and Walter Beveridge returned from Diamond Scout Camp, Sunday evening.

Mr. and Mrs. Manuel Silva, and Miss Evelyn Cloudeane were at Yosemite all of last week.

A. A. Amaral and Lawrence Fimintel spent a week fishing in Mendocino county. They brought home a good supply of fish.

FIRE DEPARTMENT HAS INTERESTING ANNUAL REPORT

R. Bendel, chief of Decoto Fire Department, makes the following interesting report:

Annual report, fiscal year ending June 30, 1929:

Alarms answered, 15; miles run, 49; tanks dumped, 13; hose lines stretched, 1,500 feet; extinguishers used, 3; ladders raised, 84 feet.

The fire loss is estimated at \$10,000.

The Salz warehouse fire was the largest loss of the year.

Duffys Entertain With A Picnic Lunch

Twenty or more friends enjoyed the generous hospitality of Mr. and Mrs. Lester Duffey at their beautiful country place in Paradise Park, driving down in the early morning. A wonderful picnic lunch was served. Later, the party motored to Santa Cruz for an ocean swim.

Roland Bendel announced that the next meeting of the Decoto Chamber of Commerce will be held next Tuesday evening. All members should strive to be present.

Auction sale at C. H. Chute place. See display ad on page two.—Jy11p

R. L. Masters was a business visitor in Monterey last week.

Mr. and Mrs. F. V. Jones, Mr. and Mrs. W. Ebricht were joint hosts and entertained several of their friends at a picnic supper in beautiful Sunol Glen, after which the evening was spent around the bridge tables. Those fortunate enough to attend, report the best time ever.

Niles Vacation Church School To Give Exhibit and Program

The public is cordially invited to the exhibit and program of the Niles Vacation Church School to be given tomorrow night at 7:30 in the Congregational church. All of the parents are urged to attend and see the work which is done at these vacation schools.

The exhibit will consist of woodwork, sewing, craftwork, and handwork. The pupils have made some very useful things for their homes.

The program is to be opened with the regular worship service given by the school. Frances Hepler is the song leader. A story will be told by one of the pupils, and prayers about the home, school and play, nation, and world wide peace and goodwill will be given by the others.

The junior class, besides reciting their memory work, will dramatize the story of the Good Samaritan.

The intermediate class will dramatize the story of Ruth, which includes the scripture memory work.

The school will present a little play of the nations entitled "Goodwill the Magician." A little dutch dance is given in this play. Songs will be sung by the school and the audience.

The school wishes to thank the teachers for their assistance in making this year's Vacation Church School a success. The faculty was: Lucille Breiner, superintendent and sewing; Mrs. Alma Inman Parker, intermediate Bible study; Rev. Arthur Seebart, boys department; Charles Hepler, assistant to Rev. Seebart; Mrs. A. Seebart, junior Bible study; Gertrude Ellsworth and Evelyn Rose, assistants to Mr. Seebart; Mrs. John Kimber, primary-beginners' department, assisted by Dorothy Smith and Evelyn Rose, and Miss Martha Sanford, substitute.

Roses Motoring Through Northwest

Mr. and Mrs. F. A. Rose have begun a two months' motor trip this week. They will tour Northern California, Oregon and Idaho. They will stop at the Yellowstone National Park in Wyoming, and also at Salt Lake City. They expect to take in all the scenic beauties and sights on the way.

Register printing the best.

Mays and Decoto Entertain Friends

Peter Decoto and Mr. and Mrs. August May were hosts and hostesses to a number of relatives and friends at Mr. Decoto's home, Sunday. The guests were Dr. Emma Stevens, of Oakland; Dr. and Mrs. Rouskowsky, of Switzerland; Victoria Palmer, of Berkeley; Jane Olden, of Berkeley; Mr. and Mrs. Henry Crosby and Howard Buswell, of Oakland; Mr. and Mrs. John Ralph, of Alvarado, and Henry Sorenson, of Hayward.

Aged Woman Dies After Being Ill

Mrs. K. Graesslin, 84, for many years a resident of Decoto, passed away at the old Cosmopolitan House, Saturday. The funeral services were held Tuesday in Hayward and interment was made in the Cypress cemetery.

The deceased is survived by three children, Miss Kate Graesslin, Mrs. Harry Searles and Fred Graesslin.

John Ferrante is visiting relatives in San Louis Obispo.

G. F. Bowers and family, William Hurst and family, of Decoto; E. K. Coleman and family, of Valle Vista; Mr. and Mrs. John Logan, of Alvarado; Mrs. Annie Pierce, Bob Smith and family, of Niles; and Mr. and Mrs. Roy Pierce, of Stockton, enjoyed a picnic at Fernbrook in Niles canyon Independence Day.

Miss Marie Swanson, of Oakland, spent the week at home here.

Mr. and Mrs. R. Blacow returned from Sutter Creek this week-end, where Mrs. Blacow was spending a week or more with her relatives.

A great scenic route to the East . . .

Make the most of your travel investment this summer by planning your trip via this famous route thru the mountains.

The 100-mile Feather River Canyon and the High Sierras form a most magnificent panorama of mountain scenery followed by the Canyon of the Colorado River; the Eagle River Canyon; the heart of the Colorado Rockies, and the spectacular Royal Gorge (your train pauses for ten minutes at the famous "Hanging Bridge").

Through Pullmans to Chicago via Western Pacific to Salt Lake City—Denver & Rio Grande Western to Denver, thence Burlington Route. No change of cars required. And by a fortunate adjustment of train schedules, the regions of chief scenic interest are to be seen during daylight hours. For tickets, and complete information, write or call on

A. V. Hill and family and Mrs. Martha Barker attended an Elks' picnic at San Ramon on Independence Day.

Mrs. Merle Sneed and Mrs. W. D. Eberly attended a party given by Mrs. Mary Wood, in Los Gatos, this afternoon.

High School Senior Writes Prize Essay on "Old Glory"

(Isobel Thomas, one of the 1929 seniors of Washington Union High School, wrote the prize-winning paper in the recent flag-essay contest. She was presented with a bronze medal as was Eugene Dusterberry, winner of the boys' contest. Miss Thomas' essay reads as follows:)

"OLD GLORY'S GREATEST GLORY"

Old Glory has had so many glories that it seems impossible for any human being to really determine just what has been her greatest glory. Nevertheless, to every true and loyal American, there should be some outstanding feature of Old Glory, which to them, rests as her greatest glory.

It was a struggle in itself for our flag to be born, and to be designed. When Old Glory was made and finished, it was her first victory.

Has not Old Glory lived through trials and battles, condemnations and tempest, only to emerge victorious and waving ever high? What could be a greater glory than the known fact of our flag's great and numerous victories?

Following the birth of our flag was the growth of the Nation; as the Nation grew, Old Glory grew; as each state was admitted to the Union, a new star was added to our flag. She has been cared for and has grown through the years just as our Nation has grown.

Our flag has prompted American armies and Navies to success. When men were about to give up the struggle at many of the main battles, the sight of Old Glory gave them added courage and strength to win the battle, and add another victory to Old Glory's glories.

Has she not gone on voyages of unknown destinies? These voyages have proven successful because of the spirit given by the presence of Old Glory. If a ship met its doom—Old Glory did not go down alone, there were true Americans who went with her to guard and protect her.

Our flag has meant so much to us that certainly every American should feel it his or her duty to honor, love and respect our flag.

The flag has been like a human being with all its struggles and its great American spirit. If it were not for this great emblem, what kind of a Nation would the United States be? Just what would others think of us, and what would we think of ourselves? We can be justly proud of our emblem, for it is well designed, and well made. It is recognized and respected the world over.

The least we can do is always to cherish our flag; know its history; value its worth; honor it, and see that others understand and honor it. We should always remember what it meant to those who went before us and make it mean as much to us.

As loyal citizens it is our duty to enrich our Nation, and make it better than we found it. We should live up to our American ideals by serving our flag and the country for which it stands. We should always remember that the achievements made in our Nation help Old Glory to rise higher and higher. In making our Nation better we are helping Old Glory, for she represents our Nation.

Oh American Citizens! Never let Old Glory represent an untrue Nation, never make it necessary for her to come down from her heights.

May we always make her better and better. May she always be loved and honored, and may Old Glory retain her victories, and, as her greatest glory, may she remain, as in the past, with her Stars and Stripes waving forever!

OLD OPERATORS' LICENSES ARE VOID AUGUST 14

Examinations To Be Held At Judge Silva's Court Room

All licenses to drive automobiles in California, issued prior to January 1, 1927, will be good until August 14, 1929, when the new motor vehicle act becomes effective. Examinations shall be given in every case where examiners are in doubt as to the applicant's mental or physical ability to drive. No fees are charged for the examination and the licenses cost nothing.

All operators' licenses issued after August 14, 1929, shall expire automatically within two years. Renewal may be made upon application, and applicants are subject to examination as to their ability to drive and their knowledge of the motor vehicle act.

This new act will enable the state division of motor vehicles to clear up their files of much "deadwood," and to get rid of persons who create a hazard by driving on the public highways.

Traffic Officer Duffey Lewis announces that examinations are now being held for the issuance of drivers' licenses every Thursday afternoon from 1 to 5:30 at Judge Silva's court in Niles. They are given under the auspices of the State Motor Vehicle department, and must be complied with by the car drivers.

PASTOR'S RESIGNATION ACCEPTED BY TRUSTEES

The trustees of the Niles Congregational church met Tuesday evening at the call of the chairman. They accepted the resignation of Rev. Arthur Seebart with deep regrets.

Rev. Seebart has been the pastor of the church for the last three years. He will leave for Columbus, Montana, with his family to accept his new charge there, after August 18.

ALVARADO

The pupils of the Vacation Church School enjoyed a picnic and swim in Niles canyon, last week. There are thirty-five children enrolled in the school. Miss McArthur, of Oakland, is the superintendent. Courses in sewing, craftwork, Bible lessons and memory work are taught.

Correspondence Class Newswriting Offered

Graduates of high schools and any who might wish to "try out the newspaper field" will be interested in the announcement that two courses in writing for newspapers are now offered by correspondence instruction by the University of California Extension Division, according to Dr. George A. Smithson, chairman of the department of correspondence instruction. A. L. Price, San Francisco newspaperman, is in charge.

A course devoted to news writing and designed for persons engaged in newspaper work or for those who are planning to adopt the profession, is one offered. This course has also proved popular with high school instructors in journalism, according to Dr. Smithson. It deals particularly with the preparation of copy as required by metropolitan newspapers.

Another course deals with the writing of articles for newspapers or magazines.

MUSHROOM COMPANY WILL BUILD TWO MORE UNITS

The Pacific Mushroom Company held its monthly board meeting in San Francisco, Tuesday, Lannes Sharman, president, and Leo Vincent, secretary-treasurer and manager of the Niles plant, attending the meeting. The other officers were very gratified with the five weeks' showing of the mushroom plant in Niles.

As there is such a keen demand for their product in San Francisco and the East Bay, the board decided to double the size of their plant. In the very near future two additional units are to be constructed, which will make a total of four units on the Garden of Allah property.

The board also decided to improve the ventilating system in the Garden of Allah, Alameda county's spacious dance hall, and to glass in the outside entrance which will make a sun room as well as a moonlight room. These improvements are to be made in a week or so.

Manager Vincent reports that 4000 pounds of mushrooms have been shipped from here in the first five weeks of the harvest. From now on they will have a year around harvest. Five to forty crates of snow white and cream mushrooms are shipped daily. One wholesaler in San Francisco buys all of the Pacific mushrooms, and the East Bay dealers but the "Garden of Allah" brand mushrooms. The Mutual stores are the latest buyers of this Niles' product. At present the market demand is much larger than the local plant can supply.

MORE ON NILES-HAYWARD

(Continued from Page One)

traveled way 28½ feet wide through the underpass; and this widening, together with the line change and new county road connection arranged for the northerly approach, will relieve traffic of the present dangerous situation.

A new bridge is to be built over the creek near the Decoto road and a new structure constructed over the creek running through the cemeteries, and all structures through the built up section in the outskirts of Hayward will be extended to provide for ultimate widths and conserve the interests of subdivision developments. Numerous repairs will be made to the existing road base and a heavy type of construction will be used in the new pavement throughout. Wide shoulders, built up with materials imported from local quarry sites, will give a substantial and serviceable addition to the traveled way—the shoulder on the west being made wide enough to receive an additional 10-foot slab of concrete when the growth of traffic shall demand. The total overall width of road surface with the shoulders will be 48 feet.

In order to make this present widening of the roadway and to provide for future expansion according to the highway commissioner's present standards, it will be necessary to extend the right-of-way lines on both sides of the present right-of-way. This will involve moving a large number of residences and such business houses as may fall within the limits of the 100-foot right-of-way section.

The anticipated growth of industry and population along this route makes it necessary to provide for the inevitable expansion of highway facilities, and the temporary inconvenience and embarrassment arising from necessary surrender of space for extending highway right-of-way will be more than compensated by the certain increases in values which will accrue to all properties fronting on this new section of high standard highway.

It is to be expected that the contract will be awarded shortly after the opening of bids on July 17, and the contractor will undoubtedly hasten the job through to completion as rapidly as the weather will permit, under a time limit of 150 working days allowed for finishing the work.

The project is in the care of District IV under supervision of John H. Skeggs, district engineer.

Editorial Comment

By NORMAN H. PARKS, PUBLISHER REGISTER

(Continued From Page One)

whip hand and could, by a word, have protected the local printer. But they did not care to give that word for their newspaper friends—the glorious profession that every day in the year is helping this legion, the town, every public movement, every worthy cause. Always doing this without thought of financial gain or gladsome hope of reward. And yet these noble workers would have appreciated some co-operation, some consideration, some thanks. They, apparently, got none.

And now, the secretary of the San Leandro Chamber of Commerce, whose duty it is to foster industry, goes out of his way to defend a policy diametrically opposed to the tenets of his organization.

And in the whole thing at San Leandro there is a touch of civic gaucherie—to the whole thing a lack of municipal loyalty. And a typewritten page of sophistry does not obliterate it—does not efface the imprint of the San Francisco printer from the advertising of the San Leandro Cherry Festival!

STAND BY YOUR GUNS!

THE TOWNSHIP REGISTER endorses the stand of the apricot growers in demanding a profitable price for their crop. The producers should have the unanimous support of the business men of the district.

*** **

The whole structure of prosperity of this township rests upon a foundation of agriculture and horticulture. The rural citizen makes up the bulk of our population. He represents the greatest element of the consuming public. He is the permanent fixture in the commercial landscape of Washington Township. Therefore, is it not wise to aid in every fair and legitimate way him who represents our major patron?

The canneries and factories are wonderful aids in stimulating trade and municipal prosperity. It is good business to give these industries assistance whenever compatible with entire fairness to the producer of the raw material; but when the interest of one conflicts with the other, there is no room for divided allegiance—the farmer is our greatest friend, our most liberal customer.

*** **

Things in recent years have not gone well with our friends who cultivate the soil. That accounts largely for the lethargy in the business world. It has been a mistaken national policy to encourage factories, and neglect the customer for the product of those factories. It did, for awhile, create a very wealthy and prosperous urban population. The world market proved a lucrative field, and the farmer still had a surplus of capital carried over from the war period and those few years following that brought a profit for what he had to sell. But the period that followed these profitable years has reduced the tiller of the soil in many instances virtually to a state of bankruptcy. And many would keep him there, lacking all vision and economic understanding of what constitutes a healthy body politic.

The canner is in business to make money. That is natural, and right; but the man who makes the business possible should also have a margin of profit. He had none last year, nor for several years past, and if he submits to the terms proposed this year it will be but a repetition of the sad condition of former years.

*** **

The Township Register's sympathy, the writer repeats, is always with the producer of the raw material. It pleads with the cannery combine to deal fairly with the apricot grower. It calls upon citizens here and elsewhere throughout Washington Township to stand solidly behind their friends—the orchardists.

We believe a little backbone at this time will win a fair price for this year's crop. A united front is half the battle. The cause is just—every man is entitled to a fair remuneration for his labor. To ask him to accept less is an insult to his intelligence, a reproach to his manhood.

*** **

Growers, stand by your courageous ultimatum—\$85 a ton for 14 to the pound—or DRY!
